Dear Joe,

On behalf of CEO Katie Hood, the Board of Directors and the scientists and staff of The Michael J. Fox Foundation for Parkinson's Research, I am writing to thank you for your 8/5/2008 gift of \$4,000.00. Gifts from friends such as you make it possible for us to continue doing whatever it takes to speed the development of transformative treatments for Parkinson's disease.

Through our aggressive, innovative and strategic funding strategies, MJFF continues to be a catalyst for translational research and a leader for the entire Parkinson's community. Sitting at the hub of global PD research, we use all of the resources at our disposal — financial, intellectual, collaborative — to help move basic discoveries as quickly as possible from the lab bench to clinical testing and pharmacy shelves.

Thank you again for joining us in the fight for a cure. I look forward to keeping you apprised of our progress.

With gratitude,

Karen Leies  
Vice President of Development
