Dear Friends:

Thank you for your gift of \$1,500.00 to The V Foundation, received on 12/31/2007. We truly appreciate your support of the Foundation and of our goal—to find a cure for cancer.

Fiscal responsibility to our important mission and to our donors is something The V Foundation Board of Directors and staff are very passionate about. This fact has not gone unnoticed by Charity Navigator, a watchdog agency that recently awarded the Foundation a coveted fifth consecutive 4-star rating. Additionally, we are proud to inform you that The V Foundation awards 100 percent of all new direct donations and net proceeds of events directly to cancer research and related programs.

Since our formation by ESPN and Jim Valvano in 1993, The V Foundation has raised more than \$70 million to fight cancer nationwide. However, there is still much more to be done. With your support, we will continue to raise much-needed funds for cancer research until we have beaten this deadly disease.

For more information on how you can help in the fight against cancer, please call us toll-free at 1-800-4-JimmyV, or visit our website at [www.jimmyv.org](http://www.jimmyv.org).

Again, thank you for your support, and remember:

“DON’T GIVE UP. . .DON’T EVER GIVE UP!”®

Sincerely,

Nick Valvano  
Chief Executive Officer

Under IRS regulations, we are required to acknowledge that you did not receive any goods or services for your donation. Therefore, the above donation is 100% tax-deductible as provided under the law.
